

Participatory Health & Hygiene Education (PHHE) Facilitator

Location: [Africa] [Zimbabwe]

Town/City: Harare

Category: Water, Sanitation and Health (WASH)

Job Type: Fixed term, Full-time

BACKGROUND

World Vision is a global Christian relief, development and advocacy organization dedicated to working with children, families and communities to overcome poverty and injustice. We are a community of close to 40,000 staff working across the world to help change the lives of vulnerable children. Our supporters, partners and staff join forces with communities on the ground to help children enjoy good health, be educated for life, experience the love of God and their neighbors and be cared for, protected and participating in addressing issues that affect their lives. World Vision has been active in Zimbabwe since 1973. Our operations are spread across 9 out of 10 provinces, with a majority of over 1.75 million beneficiaries in rural areas. Our current programs focus on improving the well-being of boys and girls in three priority sectors: health and nutrition, livelihoods and education. We also focus on child protection, gender and disabilities, emergency assistance and resilience building as cross cutting priorities across our programs. If you share the same vision, JOIN US and contribute to life in all its fullness for the children and communities we serve.
